### **CAT EXERCISE WHEEL USER MANUAL**

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

STEP14

STEP15

Finished

Lock it when not in use.

\* H wooden lock is inserted into the card slot and locked.

**TIPS:**

1. The number of screws marked above is the actual number used during installation. When the product is shipped, 1~3 more screws of each type will be given as spares.
2. During the use of the product, children are prohibited from approaching without the company of adults.
3. The edge of the product is a bit sharp, and you need to wear gloves for installation; at the same time, it comes with sandpaper, so you can polish the edge again by yourself; without gloves, be careful when touching the running wheel.
