ASSEMBLY PRECAUTIONS

1. Assemble needs to follow these instructions. Incorrect assembly can be a hazard.
2. Wear safety goggles and heavy-duty work gloves during assembly.
3. Do not assemble when tired or under the influence of alcohol, drugs or medication.
4. This product provides two installation methods, the first is 3M double-sided tape, the second is the back hanging nail. The installation of the wall mount should be done by an adult, and children should not use it without supervision.
5. Please note that if 3M double-sided adhesive installation is used, it is necessary to ensure the installation wall is smooth and smooth, and clean the wall dust and moisture before installation to avoid the drop caused by weak bonding. Paste can not be used.
6. When the wall hanging is installed, it is necessary to ensure that the wall installed is stable and reliable, the screw installed is strong and strong, and cannot be installed in the unreliable place such as board, plastic board and so on.
7. Regularly check the stability and safety of the hanger, and stop using it immediately if there is any damage or suspected problem.

USE PRECAUTIONS

1. This product is not a toy. Do not allow children to play with or approach this item.
2. Magnets create a wide, strong magnetic field. They can damage e.g. TV's, laptops, hard drives, credit cards, data mediums, mechanical watches, hearing aids and speakers.
3. Keep the magnetic bar with its built-in magnets away from all devices, which could get damaged by strong magnetic fields. A minimum distance of 60cm(23,5 inches) is recommended.

WARNING: Please note that this is a kind of magnetic suction wall hanging, relying on the suction of the magnet, so this kind of wall hanging is unsuitable for non-magnetic suction tools, such as stainless steel tools, ceramic tools and other non-magnetic suction tools.

SAVE THESE INSTRUCTIONS

Cleaning

Clean the magnetic bar only with a dry or slightly moist cloth without any chemical substances. The bar is not dishwasher-safe.
