TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

POP UP CANOPY USER MANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

General Guidelines

- Please read the following instructions carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us if further information and help are needed.

Notes

- Please assemble this item strictly according to each step in the instructions.
- Carefully check accessories when opening the package. If anything is missing or damaged, please contact us immediately.
- This product is heavy. It is recommended that two or more adults participate in handling and assembly.
- Pegs and rope may wear over time; please buy spare parts for proper use.

Warnings

- Keep children away when assembling the product. Small parts are included in the package; they may be fatal if improper storage.
- To avoid the potential dangers of suffocation, please keep all parts and packaging (film, plastic bags, foam, etc.) away from babies and children.
- Keep the folding pavilion away from fire; do not use it during extreme cold and heat, and severe weather like rainy, windy, snowy days, and hailstorms, etc.
- Be careful when handling the frame.
- Use the pegs and heavy objects to enhance stability according to the condition of the ground.
- Periodically inspect the product; do not use it when damage occurs.

Daily Maintenance

- Store the folding pavilion in a dry, sheltered place, such as a garage or basement when not in use.
- Clean with a soft brush, water, and neutral detergent. Store in a dry and ventilated place after completely drying.
- Keep the top clean to prevent mold growth.
- Make sure the frame and canopy are dry before storage.
- Do not machine wash; do not dry.
- Do not iron.
