This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there is any technology or software updates on our product.

SAFETY INSTRUCTIONS

1.This product contains small parts. If swallowed, it will pose a choking hazard. Keep these small parts away from children !

2.Read, understand and follow your power tool manufacturer's instructions for safety. Always wear safety glasses or eye shields before assembly and commencing power tool operation. Always keep hands, face, hair, loose clothing, and body at a safe distance from spindles and cutting tools. Always keep a firm grip on tool handles when in operation. Always disconnect from the power source before adjusting power tools.

NOTE:

1.The shown is for illustration purposes only. It may not represent the style of the finial purchased.

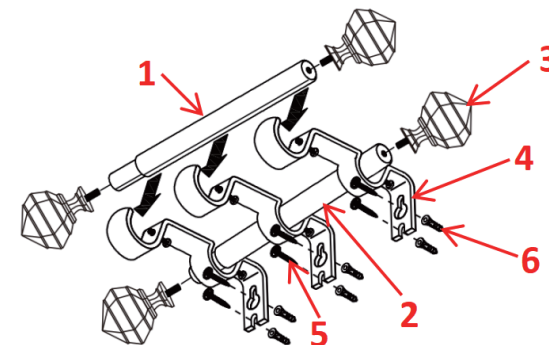

2.Please follow the installation steps to mount this curtain rod. Wrong installation steps may cause some damage trouble.

3. Installation is easy. Handle it gently, please.

HOW TO INSTALL IT

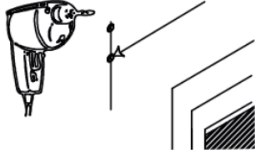

Step 1

Place brackets against the wall at desired locations. Mark screw holes and be sure the marks of each bracket are at the same height level.

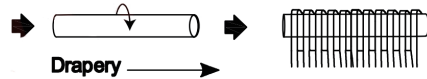

Step 2

Please drill a 3/16" hole at each pencil mark and then mount the brackets .

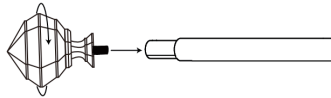

Step 3

Assemble the inner or outer rod parts and then shirr the drapery treatment onto the

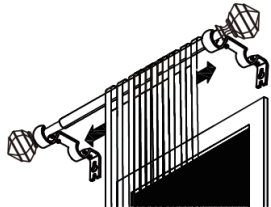

Step 4

Screw rod finials on each rod end. Rotate the finial and rod parts for proper alignment and visual balance if required.

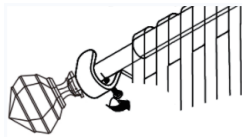

Step 5

Extend the rod to the desired width. Lift the rod with drapery and drop it into brackets. Adjust draperies to the desired position.

Step 6

Lock each rod part into position by tightening the screw by the tool until tight as picture shows, which will prevent the rod from moving.

MAINTENANCE

1. Cleaning regularly .
2. Collision avoidance.
