This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

WARNING:

Read this material before using this product. Failure to do so can result in serious injury.

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep the assembly area clean and well-lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. The product capabilities apply to properly and completely assembled products only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting the Rattan Coffee Table.
8. For additional information regarding the parts listed in the following pages, please refer to the Assembly Diagram of this manual. Unwrap and separate all parts in a clean work area.

Use precautions

1. DO NOT SIT OR STAND ON THIS ITEM.
2. This product is not a toy. Do not allow children to play with or near this item.
3. Do not exceed Weight Capacities.
4. Use only on a flat, level, hard and smooth surface capable of safely supporting a fully loaded Motorized Projector Lift.
5. Use as intended only.
6. Inspect before every use; do not use if parts are loose or damaged.

ASSEMBLY STEP

STEP1

Take G, and H;
Put G on H.

STEP2

Take A and B, take 4 fittings screws, put B on A, fix the screws, and tighten the screws with a Phillips screwdriver.

STEP3

Take the C, insert the C into the material of step 2, and rotate the pole to eject the marble.

STEP4

Take H and I 2 fittings screws, fix them on C, and tighten the screws.

STEP5

Take the D and connect it with the C, loosen the hand screw on the telescopic rod of the C to adjust the appropriate height, and tighten the screw.

STEP6

Take E, loosen the hand screw, put it on the extension rod of D, tighten the screw, take the tray assembled in step 1, put it on the top of the angle adjuster of E, and tighten the screw to complete the installation.

MOTORISERAD PROJEKTORLYFT

Användarmanual

MODELL: ZG-TYGTY

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.
