Technical Support and E-Warranty Certificate
www.vevor.com/support

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

WARNING:

Please read this manual carefully before using the product. Failure to do so may result in serious injury.

-The standard of this product is excluded a power adapter. If you use a power adapter to charge, please purchase a certified 5V/2A power adapter that meets the standards.

-This is a professional product, please use the original battery

Safety and Precautions

-There is a built-in lithium battery, please do not use it in the environment with temperature higher than 40°C. Keep away from fire and other heat sources, and do not place it in the hot sun, such as closed car.

-Children should be charged and used under the supervision of adults. After full charge, please make sure to pull out the charging line in time to prevent overheating, short circuit or fire.

-Do not put the product in fire or water to avoid battery short circuit or fire or burn.

-Working environment: 0°C-40°C ambient temperature, relative humidity, 30%-85%RH Use in (non-condensing) environment, please do not exceed the recommended temperature range.

*If you suspect that there is a problem with the battery, please contact the after-sales service center for assistance.

Correct Disposal:

This product is subject to the provision of european Directive 2012/19/EU. The symbol showing a wheeled bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products marked as such may not be discarded with normal domestic waste, but must be taken to a collection point for recycling electrical and electronic devices.

FCC Information:

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This product may cause harmful interference.
- 2) This product must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications to this product not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

Note: This product has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules, These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This product generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the distance between the product and receiver.
- Connect the product to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for assistance.

Élimination correcte :

Ce produit est soumis aux dispositions de la directive européenne 2012/19/UE. Le symbole représentant une poubelle barrée indique que le produit nécessite une collecte sélective des déchets dans l'Union européenne. Ceci s'applique au produit et à tous les accessoires marqués de ce symbole. Les produits marqués comme tels ne doivent pas être jetés avec les ordures ménagères normales, mais doivent être déposés dans un point de collecte pour le recyclage des appareils électriques et électroniques.

Informations FCC :

ATTENTION : Les changements ou modifications non expressément approuvés par la partie responsable de la conformité pourraient annuler le

droit de l'utilisateur à utiliser l'équipement !

Cet appareil est conforme à la partie 15 des règles FCC. L'exploitation est soumise aux deux conditions suivantes :

- 1) Ce produit peut provoquer des interférences nuisibles.
- 2) Ce produit doit accepter toute interférence reçue, y compris les interférences susceptibles de provoquer un fonctionnement indésirable.

AVERTISSEMENT : les changements ou modifications apportés à ce produit non expressément approuvés par la partie responsable de la conformité pourraient annuler l'autorité de l'utilisateur à utiliser le produit.

Remarque : Ce produit a été testé et déclaré conforme aux limites d'un appareil numérique de classe B conformément à la partie 15 des règles de la FCC. Ces limites sont conçues pour fournir une protection raisonnable contre les interférences nuisibles dans une installation résidentielle.

Ce produit génère, utilise et peut émettre de l'énergie radiofréquence et, s'il n'est pas installé et utilisé conformément aux instructions, il peut provoquer des interférences nuisibles aux communications radio.

Cependant, rien ne garantit que des interférences ne se produiront pas dans une installation particulière. Si ce produit provoque des interférences nuisibles à la réception radio ou télé, ce qui peut être déterminé en éteignant et rallumant le produit, l'utilisateur est encouragé à essayer de corriger les interférences en prenant une ou plusieurs des mesures suivantes.

- Réorientez ou déplacez l'antenne de réception.
- Augmentez la distance entre le produit et le récepteur.
- Connectez le produit à une prise sur un circuit différent de celui auquel le récepteur est connecté.
- Consultez le revendeur ou un technicien radio/TV expérimenté pour obtenir de l'aide.

Richtige Entsorgung :

Dieses Produkt unterliegt den Bestimmungen der europäischen Richtlinie 2012/19/EU. Das Symbol einer durchgestrichenen Mülltonne weist darauf hin, dass dieses Produkt in der Europäischen Union einer getrennten Müllentsorgung unterliegt. Dies gilt für das Produkt und alle mit diesem Symbol gekennzeichneten Zubehörteile. So gekennzeichnete Produkte dürfen nicht im normalen Hausmüll entsorgt werden, sondern müssen an einer Sammelstelle für das Recycling von elektrischen und elektronischen Geräten abgegeben werden.

FCC-Informationen:

ACHTUNG: Durch Änderungen oder Modifikationen, die nicht ausdrücklich von der für die Konformität verantwortlichen Partei genehmigt wurden,

kann die Berechtigung des Benutzers zum Betrieb des Geräts erlöschen! Dieses Gerät entspricht Teil 15 der FCC-Bestimmungen. Der Betrieb unterliegt den folgenden zwei Bedingungen:

- 1) Dieses Produkt kann schädliche Störungen verursachen.
- 2) Dieses Produkt muss alle empfangenen Störungen tolerieren, einschließlich Störungen, die einen unerwünschten Betrieb verursachen können.

WARNUNG: Änderungen oder Modifikationen an diesem Produkt, die nicht ausdrücklich von der für die Konformität verantwortlichen Partei genehmigt wurden, können zum Erlöschen der Berechtigung des Benutzers zum Betrieb des Produkts führen.

Hinweis: Dieses Produkt wurde getestet und entspricht den Grenzwerten für digitale Geräte der Klasse B gemäß Teil 15 der FCC-Bestimmungen. Diese Grenzwerte sollen einen angemessenen Schutz gegen schädliche Störungen bei der Installation in Wohngebieten bieten.

Dieses Produkt erzeugt und verwendet Hochfrequenzenergie und kann diese auch ausstrahlen. Wenn es nicht gemäß den Anweisungen installiert und verwendet wird, kann es zu Störungen des Funkverkehrs kommen. Es gibt jedoch keine Garantie dafür, dass bei einer bestimmten Installation keine Störungen auftreten. Wenn dieses Produkt Störungen des Radio- oder Fernsehempfangs verursacht (was durch Ein- und Ausschalten des Produkts festgestellt werden kann), wird dem Benutzer empfohlen, die Störungen durch eine oder mehrere der folgenden Maßnahmen zu beheben.

- Empfangsantenne neu ausrichten oder verlegen.
- Vergrößern Sie den Abstand zwischen Produkt und Empfänger.
- Schließen Sie das Produkt an eine Steckdose eines anderen Stromkreises an als den, an den der Empfänger angeschlossen ist.
- Wenden Sie sich an den Händler oder einen erfahrenen Radio-/Fernsehtechniker.

AVVERTIMENTO:

Si prega di leggere attentamente questo manuale prima di utilizzare il prodotto. In caso contrario, potrebbero verificarsi lesioni gravi.

-Lo standard di questo prodotto è escluso un adattatore di alimentazione . Se utilizzi un adattatore di alimentazione per caricare, acquistane uno adattatore di alimentazione certificato da 5 V/2 A che soddisfa gli standard.

-Questo è un prodotto professionale, utilizzare la batteria originale

Sicurezza e precauzioni

-C'è una batteria al litio incorporata, per favore non usarla nel ambiente con temperatura superiore a 40 °C . Tenere lontano dal fuoco e da altre fonti di calore e non posizionarlo nel sole caldo, come un'auto chiusa.

-I bambini devono essere caricati e utilizzati sotto la supervisione degli adulti. Dopo la ricarica completa, assicurarsi di estrarre il linea di ricarica in tempo per evitare surriscaldamento, cortocircuito o incendio.

-Non mettere il prodotto nel fuoco o nell'acqua per evitare che la batteria si scarichi circuito, incendio o bruciatura.

-Ambiente di lavoro: temperatura ambiente 0 °C -40 °C , relativa umidità, 30%-85%RH Per l'uso in ambienti (senza condensa), non superare l'intervallo di temperatura consigliato.

* Se sospetti che ci sia un problema con la batteria, per favore contattare il centro assistenza post-vendita per assistenza.

- ③ Open **SharpFox** App and Tap "Connect Device".

- ④ Connect the thermal printer device.

- ⑤ Tap the paper type and paper width.

- ⑥ Choose the paper type and paper width. Tap save. (if you need to customize the paper width, enter the number in last row)

⑦ Choose the printing option.

Document Print: Import File from other Apps – Word/PDF/Excel/PPT/TXT.

Photo Print: Import File from photo album.

Scan Print: Take photo you need to print.

Windows -Thermal Printer Driver Installation

Nota: prima di installare il driver, disattivare il software antivirus del computer. Visitare <https://help.flashlabel.com>, è possibile scaricare il driver dopo la ricerca parola chiave Y 80 /Y80H .

Accendi la stampante. Collegare la stampante al computer tramite cavo USB .

Fare doppio clic sul file compresso scaricato per installare il driver.

① Click Install.

② Click Finish after installation.

MacOS-Thermal Printer Driver Installation

Nota: prima di installare il driver, disattivare l'antivirus del computer Software. Visita [https: help.flashlabel.com](https://help.flashlabel.com) , puoi scaricare il driver dopo aver cercato la parola chiave Y 80 /Y80H .

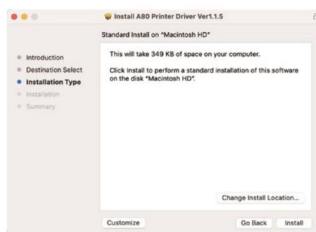

Accendi la stampante. Collegare la stampante al computer tramite cavo USB .

Fare doppio clic sul file compresso scaricato per installare il driver.

① Click Continue.

② Click Install

- ③ Enter your password or use Touch ID to allow the driver to install.

- ④ Click Close after installation.

Usage Method

Regolare il limitatore della carta per adattarlo alla larghezza della carta.

Larghezza carta disponibile da 2,24 pollici a 8,5 pollici.

Nota: la stampante termica si spegnerà automaticamente dopo 15 minuti se senza alcuna operazione.

Paper Roll installation Guide

① Press the open key buttons to open the printer cover.

② Make sure the thermal paper roll direction.

③ Lay down the thermal paper. The end of the paper need to expose to the machine.

④ Close the printer cover.

⑤ If you need to adjust the paper width, push the paper limiter against the edge of paper roll.

Folded Paper Installation Guide

① Take out the thermal paper and make sure the printing side.

Note: Make sure the paper roll takes out from the thermal printer.

② Make sure the front side of thermal paper and align with the paper inlet. Insert the paper. Make sure the paper sticks inside the printer and get ready for printing.

③ Tear off the paper.

Cleaning and Maintenance

-Spegner la stampante, aprire il coperchio della stampante ed estrarla il rotolo di carta.

-Immergere un panno di cotone o dei bastoncini di cotone. Sull'alcol medico, lungo il centro della testina di stampa verso la direzione di delicatamente pulire.

-Dopo aver pulito la testina di stampa, non utilizzare immediatamente la stampante . Si prega di attendere 1-2 minuti finché l'alcol non sarà completamente evaporato evaporato.

Smaltimento corretto :

Questo prodotto è soggetto alle disposizioni della Direttiva europea 2012/19/UE. Il simbolo del bidone della spazzatura barrato indica che nell'Unione Europea il prodotto richiede la raccolta differenziata dei rifiuti. Ciò vale per il prodotto e tutti gli accessori contrassegnati da questo simbolo. I prodotti contrassegnati come tali non possono essere smaltiti con i normali rifiuti domestici, ma devono essere portati in un punto di raccolta per il riciclaggio di dispositivi elettrici ed elettronici.

Informazioni FCC:

ATTENZIONE: Cambiamenti o modifiche non espressamente approvati dalla parte responsabile della conformità potrebbero invalidare il diritto dell'utente a utilizzare l'apparecchiatura!

Questo dispositivo è conforme alla Parte 15 delle norme FCC. Il funzionamento è soggetto alle seguenti due condizioni:

- 1) Questo prodotto può causare interferenze dannose.
- 2) Questo prodotto deve accettare qualsiasi interferenza ricevuta, comprese le interferenze che potrebbero causare un funzionamento indesiderato.

AVVERTENZA: cambiamenti o modifiche a questo prodotto non espressamente approvati dalla parte responsabile della conformità potrebbero annullare l'autorità dell'utente a utilizzare il prodotto.

Nota: questo prodotto è stato testato ed è risultato conforme ai limiti per un dispositivo digitale di Classe B ai sensi della Parte 15 delle norme FCC.

Questi limiti sono progettati per fornire una protezione ragionevole contro interferenze dannose in un'installazione residenziale.

Questo prodotto genera, utilizza e può irradiare energia in radiofrequenza e, se non installato e utilizzato in conformità con le istruzioni, può causare interferenze dannose alle comunicazioni radio. Tuttavia, non vi è alcuna garanzia che non si verifichino interferenze in una particolare installazione. Se questo prodotto causa interferenze dannose alla ricezione radiofonica o televisiva, cosa che può essere determinata spegnendo e accendendo il prodotto, si consiglia all'utente di provare a correggere l'interferenza adottando una o più delle seguenti misure.

- Riorientare o riposizionare l'antenna ricevente.
- Aumentare la distanza tra il prodotto e il ricevitore.
- Collegare il prodotto ad una presa su un circuito diverso da quello a cui è collegato il ricevitore.
- Consultare il rivenditore o un tecnico radio/TV esperto per assistenza.

Cleaning and Maintenance

- Apague la impresora, abra la cubierta de la impresora y saque el rollo de papel.
- Sumerja un paño de algodón o hisopos de algodón en él. Sobre el alcohol medicinal, a lo largo del centro del cabezal de impresión hasta alrededor de la dirección de limpiar.
- Después de limpiar el cabezal de impresión, no utilice la impresora inmediatamente . Espere 1-2 minutos hasta que el alcohol se haya secado por completo. evaporado.

Eliminación correcta :

Este producto está sujeto a las disposiciones de la Directiva europea 2012/19/UE. El símbolo que muestra un contenedor con ruedas tachado indica que el producto requiere recogida selectiva de basura en la Unión Europea. Esto se aplica al producto y a todos los accesorios marcados con este símbolo. Los productos marcados como tales no podrán desecharse junto con la basura doméstica normal, sino que deberán llevarse a un punto de recogida para el reciclaje de aparatos eléctricos y electrónicos.

Información de la FCC:

PRECAUCIÓN: ¡Los cambios o modificaciones no aprobados expresamente por la parte responsable del cumplimiento podrían anular la autoridad del usuario para operar el equipo!

Este dispositivo cumple con la Parte 15 de las normas de la FCC. La operación está sujeta a las dos condiciones siguientes:

- 1) Este producto puede causar interferencias perjudiciales.
- 2) Este producto debe aceptar cualquier interferencia recibida, incluidas las interferencias que puedan provocar un funcionamiento no deseado.

ADVERTENCIA: Los cambios o modificaciones a este producto que no estén aprobados expresamente por la parte responsable del cumplimiento podrían anular la autoridad del usuario para operar el producto.

Nota: Este producto ha sido probado y cumple con los límites para un dispositivo digital Clase B de conformidad con la Parte 15 de las reglas de la FCC. Estos límites están diseñados para brindar una protección razonable contra interferencias dañinas en una instalación residencial. Este producto genera, usa y puede irradiar energía de radiofrecuencia y, si no se instala y usa de acuerdo con las instrucciones, puede causar interferencias dañinas en las comunicaciones por radio. Sin embargo, no hay garantía de que no se produzcan interferencias en una instalación en particular. Si este producto causa interferencias dañinas en la recepción de radio o televisión, lo cual se puede determinar apagando y encendiendo el producto, se recomienda al usuario que intente corregir la interferencia mediante una o más de las siguientes medidas.

- Reorientar o reubicar la antena receptora.
- Aumentar la distancia entre el producto y el receptor.
- Conecte el producto a una toma de corriente de un circuito diferente al que está conectado el receptor.
- Consulte al distribuidor o a un técnico experimentado en radio/TV para obtener ayuda.

- Wyłącz drukarkę, otwórz pokrywę drukarki i wyjmij rolka papieru.
- Zanurz w nim bawełnianą szmatkę lub waciki. O alkoholu medycznym, wzdłuż środka głowicy drukującej w kierunku delikatnie wytrzeć.
- Po wyczyszczeniu głowicy drukującej nie należy od razu używać drukarki . Poczekaj 1-2 minuty, aż alkohol całkowicie się rozpuści odparował.

Prawidłowa utylizacja :

Ten produkt podlega postanowieniom dyrektywy europejskiej 2012/19/UE. Symbol przekreślonego kosza na śmieci oznacza, że produkt wymaga selektywnej zbiórki śmieci na terenie Unii Europejskiej. Dotyczy to produktu i wszystkich akcesoriów oznaczonych tym symbolem. Produktów oznaczonych jako takie nie można wyrzucać razem ze zwykłymi odpadami domowymi, lecz należy je przekazać do punktu zbiórki w celu recyklingu urządzeń elektrycznych i elektronicznych.

Informacje FCC:

UWAGA: Zmiany lub modyfikacje, które nie zostały wyraźnie zatwierdzone przez stronę odpowiedzialną za zgodność, mogą unieważnić uprawnienia użytkownika do obsługi urządzenia!

To urządzenie jest zgodne z częścią 15 przepisów FCC. Działanie podlega następującym dwóm warunkom:

1) Ten produkt może powodować szkodliwe zakłócenia.

2) Ten produkt musi akceptować wszelkie odbierane zakłócenia, w tym zakłócenia, które mogą powodować niepożądane działanie.

OSTRZEŻENIE: Zmiany lub modyfikacje tego produktu, które nie zostały wyraźnie zatwierdzone przez stronę odpowiedzialną za zgodność, mogą unieważnić uprawnienia użytkownika do obsługi produktu.

Uwaga: ten produkt został przetestowany i stwierdzono, że spełnia ograniczenia dla urządzeń cyfrowych klasy B zgodnie z częścią 15 przepisów FCC. Ograniczenia te mają na celu zapewnienie rozsądnej ochrony przed szkodliwymi zakłóceniami w instalacjach domowych.

Ten produkt generuje, wykorzystuje i może emitować energię o częstotliwości radiowej, a jeśli nie zostanie zainstalowany i nie będzie używany zgodnie z instrukcją, może powodować szkodliwe zakłócenia w komunikacji radiowej. Nie ma jednak gwarancji, że w konkretnej instalacji nie wystąpią zakłócenia. Jeśli produkt powoduje szkodliwe zakłócenia w odbiorze radia lub telewizji, co można stwierdzić poprzez wyłączenie i włączenie produktu, zachęca się użytkownika do podjęcia próby skorygowania zakłóceń za pomocą jednego lub kilku z poniższych środków.

- Zmień orientację lub położenie anteny odbiorczej.
- Zwiększ odległość pomiędzy produktem a odbiornikiem.
- Podłącz produkt do gniazdka w innym obwodzie niż ten, do którego podłączony jest odbiornik.
- Skonsultuj się ze sprzedawcą lub doświadczonym technikiem radiowo-telewizyjnym w celu uzyskania pomocy.

Wacht 1-2 minuten totdat de alcohol volledig is opgebruikt verdampt.

Correcte verwijdering :

Dit product valt onder de bepalingen van de Europese Richtlijn 2012/19/EU. Het symbool met een doorgestreepte afvalcontainer geeft aan dat het product in de Europese Unie een aparte afvalinzameling vereist. Dit geldt voor het product en alle accessoires die met dit symbool zijn gemarkeerd. Producten die als zodanig zijn gemarkeerd, mogen niet bij het normale huisvuil worden weggegooid, maar moeten worden ingeleverd bij een inzamelpunt voor recycling van elektrische en elektronische apparaten.

FCC-informatie:

LET OP: Wijzigingen of aanpassingen die niet uitdrukkelijk zijn goedgekeurd door de partij die verantwoordelijk is voor naleving kunnen de bevoegdheid van de gebruiker om de apparatuur te bedienen ongeldig maken!

Dit apparaat voldoet aan Deel 15 van de FCC-regels. De werking is

onderworpen aan de volgende twee voorwaarden:

- 1) Dit product kan schadelijke interferentie veroorzaken.
- 2) Dit product moet alle ontvangen interferentie accepteren, inclusief interferentie die een ongewenste werking kan veroorzaken.

WAARSCHUWING: Wijzigingen of aanpassingen aan dit product die niet uitdrukkelijk zijn goedgekeurd door de partij die verantwoordelijk is voor naleving kunnen de bevoegdheid van de gebruiker om het product te bedienen ongeldig maken.

Opmerking: Dit product is getest en voldoet aan de limieten voor een digitaal apparaat van Klasse B overeenkomstig Deel 15 van de FCC-regels. Deze limieten zijn bedoeld om redelijke bescherming te bieden tegen schadelijke interferentie in een residentiële installatie.

Dit product genereert, gebruikt en kan radiofrequentie-energie uitstralen, en als het niet wordt geïnstalleerd en gebruikt in overeenstemming met de instructies, kan het schadelijke interferentie aan radiocommunicatie veroorzaken. Er is echter geen garantie dat er geen interferentie zal optreden in een bepaalde installatie. Als dit product schadelijke interferentie veroorzaakt aan radio- of televisieontvangst, wat kan worden vastgesteld door het product uit en weer in te schakelen, wordt de gebruiker aangeraden te proberen de interferentie te corrigeren door een of meer van de volgende maatregelen.

- Heroriënteer of verplaats de ontvangstantenne.
- Vergroot de afstand tussen het product en de ontvanger.
- Sluit het product aan op een stopcontact op een ander circuit dan dat waarop de ontvanger is aangesloten.
- Raadpleeg de dealer of een ervaren radio-/tv-technicus voor hulp.

- Doppa en bomullsduk eller bomullstuss i den. På den medicinska alkoholen, längs med skrivarhuvudets mitt till runt riktningen av försiktigt torka.
- Använd inte skrivaren omedelbart efter att ha rengjort skrivhuvudet .
Vänta 1-2 minuter tills alkoholen är helt färdig avdunstat.

Korrekt avfallshantering :

Denna produkt omfattas av bestämmelserna i det europeiska direktivet 2012/19/EU. Symbolen som visar en soptunna korsad anger att produkten kräver separat sophämtning i EU. Detta gäller för produkten och alla tillbehör märkta med denna symbol. Produkter märkta som sådana får inte kasseras tillsammans med vanligt hushållsavfall, utan måste lämnas till en insamlingsplats för återvinning av elektriska och elektroniska apparater.

FCC-information:

FÖRSIKTIGHET: Ändringar eller modifieringar som inte uttryckligen godkänts av den part som ansvarar för efterlevnaden kan upphäva användarens behörighet att använda utrustningen!

Denna enhet uppfyller del 15 av FCC-reglerna. Driften är föremål för följande två villkor:

- 1) Denna produkt kan orsaka skadliga störningar.

2) Denna produkt måste acceptera alla mottagna störningar, inklusive störningar som kan orsaka oönskad funktion.

VARNING: Ändringar eller modifieringar av denna produkt som inte uttryckligen godkänts av den part som är ansvarig för efterlevnaden kan upphäva användarens behörighet att använda produkten.

Obs: Denna produkt har testats och befunnits överensstämma med gränserna för en digital enhet av klass B i enlighet med del 15 av FCC-reglerna. Dessa gränser är utformade för att ge rimligt skydd mot skadliga störningar i en bostadsinstallation.

Denna produkt genererar, använder och kan utstråla radiofrekvensenergi, och om den inte installeras och används i enlighet med instruktionerna kan den orsaka skadliga störningar på radiokommunikation. Det finns dock ingen garanti för att störningar inte kommer att inträffa i en viss installation. Om denna produkt orsakar skadliga störningar på radio- eller tv-mottagning, vilket kan fastställas genom att stänga av och på produkten, uppmanas användaren att försöka korrigera störningen med en eller flera av följande åtgärder.

- Rikta om eller flytta mottagningsantennen.
- Öka avståndet mellan produkten och mottagaren.
- Anslut produkten till ett uttag på en annan krets än den som mottagaren är ansluten till.
- Kontakta återförsäljaren eller en erfaren radio/TV-tekniker för hjälp.
