SAFETY INSTRUCTION AND PRECAUTIONS

WARNING:

Read this material before using this product. Failure to do so can result in serious injury.

The service life is closely related to the use environment

1. Sun exposure
2. Severe overload
3. Load-bearing work on uneven roads

Part list:

ASSEMBLY INSTRUCTION			
Label	Picture	Description	QTY
A		Pallets	3
B		Upright post	8
C		Handle	2
D		Wheels	4
E		Backing Plate	1
F		Assembly Hammer	1

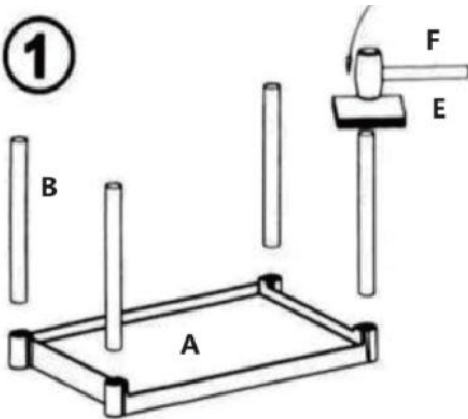

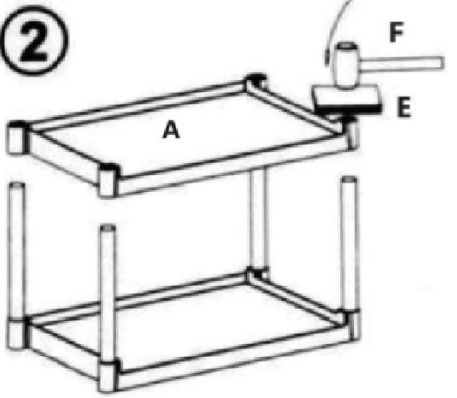

Product accessories: three pallets, eight columns with a diameter of 42mm inserted in stainless steel, two left and right handles, one backing plate, one assembly hammer, four wheels (two orientations, two steering with brakes), and a manual.

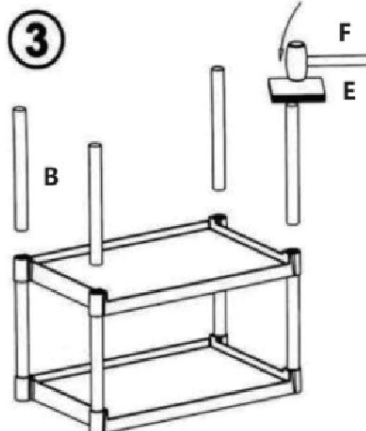

This product is made of PP environmental friendly material by hot injection molding. It is divided into three layers of pallets, two handles on the left and right wheels, two orientations and two turns.It can be used indoors and outdoors with flexible driving and strong durability. It can be used to transport tableware,flowerpots, tools and other household and commercial items, and can be used in kitchens, restaurants and gardens.

Precautions: 1. During the assembly process, the size of each end of the inserted stainless steel pipe into the tray is about 1.18 inches. If the inserted part is too small, the assembly will be unstable, which makes it easy to damage the product itself and cause personal injury.

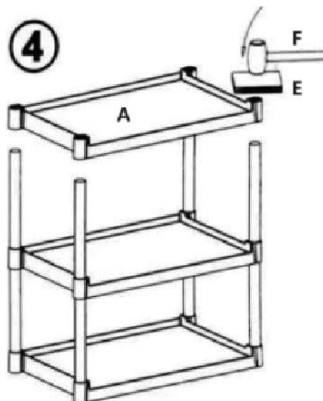

2 As this product is made of pp plastic, please keep away from high temperature and open fire, and do not use high temperature and open fire to directly contact this product.

SAFETY INSTRUCTION AND PRECAUTIONS

AVVERTIMENTO:

Leggere questo materiale prima di utilizzare questo prodotto. La mancata osservanza di questa precauzione può causare gravi lesioni.

La durata di vita è strettamente correlata all'ambiente di utilizzo

10. Esposizione al sole

11. Grave sovraccarico

12. Lavori portanti su strade sconnesse

Elenco dei pezzi:

ISTRUZIONI DI MONTAGGIO			
Etichetta	Immagine	Descrizione	Quantità
UN		Pallet	3
B		palo verticale	8
C		Maniglia	2
D		Ruote	4
E		Piastra di supporto	1
F		Martello di montaggio	1

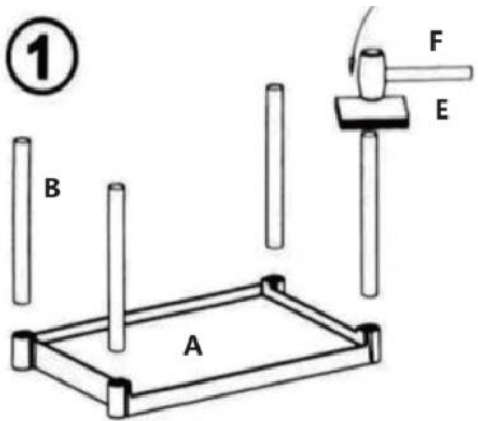

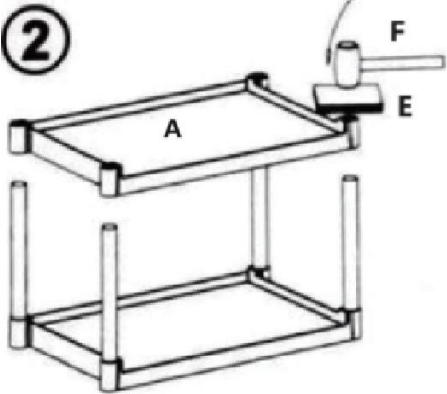

Accessori del prodotto: tre pallet, otto colonne con diametro di 42 mm inserite in acciaio inox, due maniglie sinistra e destra, una piastra di supporto, una martello di montaggio, quattro ruote (due orientabili, due sterzanti con freni) e un manuale .

Questo prodotto è realizzato in materiale PP ecologico mediante iniezione a caldo modanatura. È diviso in tre strati di pallet, due maniglie a sinistra e a destra quattro ruote, due orientamenti e due curve. Può essere utilizzato all'interno e all'esterno con guida flessibile e forte durata. Può essere utilizzato per trasportare stoviglie, vasi da fiori, utensili e altri articoli domestici e commerciali e può essere utilizzato in cucine, ristoranti e giardini.

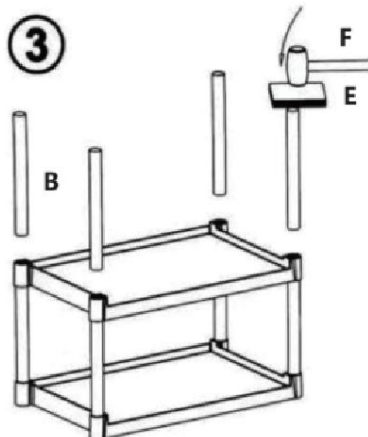

Precauzioni: 1. Durante il processo di assemblaggio, la dimensione di ciascuna estremità dell'inserito tubo in acciaio inossidabile nel vassoio è di circa 1,18 pollici. Se la parte inserita è troppo piccolo, l'assemblaggio sarà instabile, il che rende facile danneggiare il prodotto stesso e causare lesioni personali .

2 Poiché questo prodotto è realizzato in plastica PP, si prega di tenere lontano da alte temperature e fuoco aperto, e non usare alte temperature e fuoco aperto per entrare direttamente in contatto questo prodotto.

ANVÄNDARMANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.
