GROW TENT KIT

MODEL: HX8080180 HX100100200 HX120120200

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

PRODUCT INSTRUCTIONS

WARNING:

- Please read through all instructions. If grow tent is improperly installed and/or maintained, there is potential for damage or possible injury or death.
- Use extreme care when handling sharp object in or around tent.
- Keep electrical wires safely away from equipment and areas in and or around the tent that may collect water.
- Do not hang equipment on or from grow tent that is above the supported weight range.
- Do not permit children to play on, in, or around grow tent.
- Do not use your grow tent if any part of your tent material is cracked, ripped, or broken.
- Do not place grow tent near a deck, stairs, chair, or other unsafe structure.
- Assemble correctly to avoid tent tipping over and causing injury.
- Do not expose grow tent to direct sunlight, near an open flame, or a heat source.
- Provide proper air circulation in your grow tent to prevent air from going stale.
